POLICY STATEMENT

Havering Association for People with Disabilities (H.A.D.) aims to provide a high-quality, responsive, service user-led service. In order to ensure this we need to take account of the views and wishes of those we are here to support. We welcome every opportunity to monitor and improve our service and having a “compliments, comments and complaints” policy and a clear procedure for resolving complaints is one way of doing this.

Commenting on and Complimenting Our Service

2.1 Your comments and compliments are valuable, welcome and important and when they are received, either verbally or in writing, they will be recorded. Comments and compliments enable the H.A.D.to:-

- understand whether our service is being provided to the service users' satisfaction
- provide positive feedback to our staff
- influence our organisational and service development
- inform our quality assurance programme

Complaining About Our Service

H.A.D.recognises that there will be times when our trustees, staff and volunteers make mistakes, or get things wrong. In order to learn from such mistakes we need to know about them and encourage people to comment or complain. Such comments or complaints will always be taken seriously, recorded and responded to as detailed in the procedure for resolving complaints which accompanies this policy statement.

If a complaint is made which involves a Safeguarding issue, then the H.A.D Safeguarding Policy takes precedence

PROCEDURE FOR RESOLVING COMPLAINTS

4.1 Who Can Use This Procedure?

This procedure is for anyone who comes into contact with trustees, staff and volunteers from H.A.D. By anyone we mean service users – carers, people with disabilities, practitioners, other voluntary groups, statutory agencies and any other member of the public.
